Application Letters

Letter of Intent

We want to get to know who you are! Please write a 1-3 page letter explaining a little bit about yourself.

- Share what you spend your time doing and what you're passionate about.
- Tell us what your experience has been living in Saint Paul. What is unique about the city, what do you like, and what do you want to change?
- Then tell us what your personal strengths are and how you can incorporate them into your work with the Saint Paul Youth Commission.
- Finally conclude your letter with an overall goal for yourself, something you would like to accomplish with the Saint Paul Youth Commission, and explain how you believe accomplishing that goal will impact youth living in Saint Paul.

Peer Letter of Recommendation

Often times Minnesotans are REALLY modest. We want to hear what one of your peers has to say about you. Please get a Letter of Recommendation from a peer; a family member, friend or classmate which includes:

- How they know you.
- What sets you apart from other Saint Paul youth.
- The strengths you bring to working with groups of people.
- What they have gained from having you in their life.

Adult Letter of Recommendation

We also want to hear from one adult in your life, someone who knows you well. This could be a youth worker, teacher, counselor, coach, etc (but no relatives please). Ask them to write you a letter which includes:

- How they know you.
- What talents and abilities you would bring to the Youth Commission?
- Your level of commitment to things you're passionate about
